

## XI'AN FUNCTION MATERIAL GROUP CO., LTD Material Safety Data Sheet Bismuth Sulfide

| 1. Product and Company Identification              |  |  |
|--|--|--|
| Trade Name:<br>Chemical Formula:                   | Bismuth sulfide<br>Bi <sub>2</sub> S <sub>3</sub>                            |  |
| Manufacturer/Supplier:                             | XI'AN FUNCTION MATERIAL GROUP CO., LTD                                       |  |
| Street:  | No. 69, Gazelle Valley, High-Tech Zone                                       |  |
| City:  | XI'AN  |  |
| State:   | Shaanxi  |  |
| Zip Code:  | 710077   |  |
| Country:   | China  |  |
| Tel #:   | +86-29-88993870/+86-13519132051  |  |
|  | 2. Hazards Identification  |  |
| Signal Word:                                       | Warning  |  |
| Hazard Statements:                                 | H315 Causes skin irritation.   |  |
|  | H319 Causes serious eye irritation.  |  |
|  | H335: May cause respiratory irritation                                       |  |
|  |  |  |
| Precautionary Statements:                          | P261 Avoid breathing dust/fume/gas/mist/vapours/spray.                       |  |
|  | P280: Wear protective gloves/protective clothing/eye protection/face         |  |
|  | protection   |  |
|  | P305+P351+P338 IF IN EYES: Rinse cautiously with water for severa            |  |
|  | minutes. Remove contact lenses, if present and easy to do. Continue rinsing. |  |
|  | P304+P340: IF INHALED: Remove victim to fresh air and keep at res            |  |
|  | in a position comfortable for breathing                                      |  |
|  | P405: Store locked up  |  |
|  | P501: Dispose of contents/container in accordance with                       |  |
|  | local/regional/national/international regulations                            |  |
| HMIS Health Ratings (0-4):                         |  |  |
| Health:  | 1  |  |
| Flammability:                                      | 0  |  |
| Physical:  | 1  |  |
|  | 3. Composition   |  |
| Chemical Family:                                   | Ceramic  |  |
| Additional Names:                                  | None   |  |
| Bismuth Sulfide (Bi <sub>2</sub> S <sub>3</sub> ): | 100  |  |
| Percentage:  | 100 wt%  |  |
| CAS #:   | 1345-07-9  |  |
| EC #:  | 215-716-0  |  |

|                                  | 4. First Aid Procedures  |
|----------------------------------|--|
| General Treatment:               | Seek medical attention if symptoms persist.  |
| Special Treatment:               | None   |
| Important Symptoms:              | None   |
| Inhalation:                      | Remove victim to fresh air. Supply oxygen if breathing is difficult.                                     |
| Ingestion:                       | Seek Medical Attention.  |
| Skin:                            | Wash affected area with mild soap and water. Remove any  |
| Eyes:                            | contaminated clothing.<br>Flush eyes with water, blinking often for several minutes. Remove              |
|                                  | contact lenses if present and easy to do. Continue rinsing   |
|                                  | 5. Firefighting Measures   |
|                                  | Non-flammable  |
| Extinguishing Media:             | No special restrictions – use suitable extinguishing agent for surrounding material and type of fire.    |
| Spec. Fire Fighting Procedure:   | Use full-face, self-contained breathing apparatus with full protective                                   |
|                                  | clothing to prevent contact with skin and eyes. See section 10 for                                       |
|                                  | decomposition products.  |
|                                  | 6. Accidental Release Measures   |
| If Material Is Released/Spilled: | Wear appropriate respiratory and protective equipment specified in                                       |
|                                  | special protection information. Isolate spill area and provide   |
|                                  | ventilation. Vacuum up spill using a high efficiency particulate   |
|                                  | absolute (HEPA) air filter and place in a closed container for disposal.<br>Take care not to raise dust. |
| Environmental Precautions:       | Isolate runoff to prevent environmental pollution.   |
|                                  |  |
|                                  | 7. Handling and Storage  |
| Handling Conditions:             | Wash thoroughly after handling.  |
| Storage Conditions:              | Store in a cool dry place in a tightly sealed container. Store apart from                                |
|                                  | materials and conditions listed in section 10.   |
| Work/Hygienic Maintenance:       | Do not use tobacco or food in work area. Wash thoroughly before  |
|                                  | eating and smoking. Do not blow dust off clothing or skin with compressed air.                           |
| Ventilation:                     | Provide sufficient ventilation to maintain concentration at or below                                     |
| ventilation.                     | threshold limit.   |
| 8                                | . Exposure Controls and Personal Protection  |
| Permissible Exposure Limits:     | N/A  |
| Threshold Limit Value:           | N/A  |
| Special Equipment:               | None   |
| Respiratory Protection:          | Dust Respirator  |
| Protective Gloves:               | Rubber gloves  |
| Eye Protection:                  | Safety glasses or goggles  |
| Body Protection:                 | Protective work clothing. Wear close-toed shoes and long sleeves/pants.                                  |
|                                  | siceves/pants.   |

| 9. Physical and Chemical Characteristics |  |  |  |
|--|--|--|--|
| Color                                    | Brown  |  |  |
| Form:                                    | Powder, Granules, Pellets, Sputtering target, Custom parts             |  |  |
| Odor:                                    | Odorless   |  |  |
| Water Solubility:                        | Insoluble  |  |  |
| Boiling Point:                           | N/A  |  |  |
| Melting Point:                           | N/A  |  |  |
| Flash Point:                             | N/A  |  |  |
| Autoignition Temperature:                | N/A  |  |  |
| Density:                                 | 7.7 g/cc   |  |  |
| Molecular weight:                        | 514.16 g/mol   |  |  |
|  | 10. Reactivity   |  |  |
| Stability:                               | Stable under recommended storage conditions                            |  |  |
| Reacts With:                             | Oxidizing agents   |  |  |
| Incompatible Conditions:                 | None   |  |  |
| Hazardous Decomposition Products:        | Metal oxide fume, Sulfur oxides (SO <sub>x</sub> ) Hydrogen sulfide    |  |  |
| 1  | 11. Toxicological Information  |  |  |
| Potential Health Effects:                |  |  |  |
| Eyes:                                    | Causes serious eye damage  |  |  |
| Skin:                                    | Causes skin irritation   |  |  |
| Ingestion:                               | May cause irritation   |  |  |
| Inhalation:                              | May cause irritation   |  |  |
| Chronic:                                 | Bismuth and bismuth compounds are often poorly absorbed. Should        |  |  |
|  | absorption occur, however, exposure may cause loss of appetite,        |  |  |
|  | headache, skin rash, exodermatitis, kidney injury and jaundice.        |  |  |
|  | Repeated or prolonged exposure may cause a bismuth line or black       |  |  |
|  | spots on the gums, foul breath and salivation. Exposure to bismuth may |  |  |
|  | cause injury to the mouth, esophagus and stomach. Symptoms may         |  |  |
|  | include loss of appetite, headache, skin rash, kidney damage and       |  |  |
|  | jaundice   |  |  |
|  | Jaunaree   |  |  |
| Signs & Symptoms:                        | N/A  |  |  |
| Aggravated Medical Conditions:           | N/A<br>N/A   |  |  |
|  |  |  |  |
| Median Lethal Dose:                      | 5000 mg/kg for rat by mouth  |  |  |
| Carcinogen:                              | N/A  |  |  |
|  | 12. Ecological Information   |  |  |
| Aquatic Toxicity:                        | Low  |  |  |
| Persistent Bioaccumulation Toxicity:     | No   |  |  |
| Very Persistent, Very Bioaccumulative:   |  |  |  |
| Notes:                                   | N/A  |  |  |
|  | 13. Disposal Considerations  |  |  |

Dispose of in accordance with local, state, national, and international regulations.

| Hazardous:                     | Not hazardous for transportation. |  |
|--------------------------------|-----------------------------------|--|
| Hazard Class:                  | N/A                               |  |
| Packing Group:                 | N/A                               |  |
| UN Number:                     | N/A                               |  |
| Proper Shipping Name:          | N/A                               |  |
|                                | 15. Regulatory Information        |  |
| Sec 302 Extremely Hazardous:   | No                                |  |
| Sec 304 Reportable Quantities: | N/A                               |  |
| Sec 313 Toxic Chemicals:       | No                                |  |

16. Other Information

This safety data sheet should be used in conjunction with technical sheets. It does not replace them. The information given is based on our knowledge of this product, at the time of publication. It is given in good faith. The attention of the user is drawn to the possible risks incurred by using the product for any other purpose other than that for which it was intended. This does not in any way excuse the user from knowing and applying all the regulations governing his activity. It is the sole responsibility of the user to take all precautions required in handling the product. The aim of the mandatory regulations mentioned is to help the user to fulfill his obligations regarding the use of hazardous products.
